

Moose Prints

July 2010

From the Governor

Greetings fellow Moose members –

As we go on vacation and leave the Tri-Cities this summer be sure to stop in at other Moose Lodges as you travel. We need some ideas and interaction with other lodges. If another lodge has something going on like the “Queen of Hearts Game” or something else we could do, be sure to let me know and find out what lodge it is.

Thank you to everyone who is receiving the newsletter by email. My goal is to get 100 sent out this way and we are about half way there. This will save a lot of wear and tear on the equipment and the people who fold and send them out plus being more convenient for you! If you can receive it this way please let me know at lodge482@mooseunits.org and help me achieve this goal.

Congratulations to Dale McCain who was appointed as acting Administrator. Gerry Ohler has stepped down as Administrator, taking a well deserved break. He will still be available to help Dale as needed. We all thank Gerry for his service to the Lodge.

Don't forget to register for the Red Cross Blood Drive to be held on July 10, 2010 from 10 am to 3 pm. You will need to register with me at (509) 539-4621 (this is my cell, so if I'm on the road I won't be able to answer right away). There will be a drawing for a pair of Elton John tickets that one lucky donor will win, but you must be registered to be in the drawing. I am even going to try my hand (or arm) at donating at this event. We need 12 people from our Lodge, so your support is vital. We will try to do a donation quarterly if this works out.

Our bottle raffles have been doing really well and are a heckuva lot of fun. Just put your name down on the sheet, donate a dollar per line and cross your fingers. The pot in the Queen of Hearts game is beginning to grow and several cards have been removed. The odds of winning get a little better every week. We draw at 6:30pm on Friday nights so plan on attending and joining the fun. It's a good opportunity to relax with your favorite beverage and visit with your fellow Moose members.

The monthly breakfast will be on July 18th. Plan on attending and try some of Harry Smith's wonderful pancakes. We need a lot of support on these breakfasts in order for us to keep putting them on so come on down and let us do the cooking.

We are going to need some help with burger night on the 2nd and 3rd Mondays. If you can help out let me know or check in at the kitchen. Summer is a tough time because people are on vacation or have other things to do, so if you can help out even once this summer, it will really help us out.

Friday, July 9th is “Steak and Seafood” night featuring myself on the grill unless I can con someone else into doing it.

I really appreciate all the support I have received – Moose members are the greatest. Whenever you support the Lodge you help us keep the doors open, help our children at Mooseheart, our seniors at Moosehaven, and various Moose and local charities. Many thanks to you.

Fraternally,

Mike Braun

Governor

Moose Prints

From the Senior Regent

Happy 4th of July Women of the Moose Co Workers!!

The months are flying by and July is almost here; time for barbeques, fireworks and celebrating the birthday of this wonderful country of ours. Time for remembering the sacrifices of those who made this country great. Time too, for one day to forget, some of its many problems and to concentrate on its many joys. Time to take out the cooler that's been in storage for the winter and to check to see if you need a new one. Do you? Well, do you? Buy a raffle ticket for the cooler and all the goodies in it. It will be given away on July 19th!!

July is also time for some of our ladies to be leaving for Nashville for The Women of the Moose National Convention. We wish them a good time and look forward to their return to teach the rest of us about all of the things they learned during the meetings.

There were about eight women at Ladies Night Out this past June 8th. We had a wonderful time but we missed all of the rest of you. Please join us on Tuesday, July 13th. We have a great time just getting away for a couple of hours relaxing from the everyday stresses that we women are subjected to. An evening away from kids, parents, husbands, etc.; just to unwind for two hours a month. We especially missed all of the rest of the secret pals. If you are interested in knowing who your secret pal was, please let one of the board members know and we will find out for you.

The WOTM is a charitable organization and as such I know that all of you are aware that each month we plan activities that help support our charitable obligations. We also ask for donations not necessarily for money, but for things that are needed for various organizations in our communities. In July we are asking for donations of art and craft supplies to be donated to the Lourdes Counseling Center. The supplies are used for therapy for all ages – very young children up to adults. That leaves a large range of supplies. I'm sure each of us can find something at home that can be added to the total. The supplies can be left at the Lodge and will be taken to Lourdes at the end of the month.

While looking around for craft supplies, keep in mind that even though summer is just starting we will soon need school supplies. Look for those sales!!

Any crocheters, knitters out there? Want a project that will benefit someone in need of comfort? Lap robes are needed and appreciated at the various hospitals and at the Cancer Center.

Remember that one of the greatest gifts is the gift of giving, not money or things but of one's self. Come by the Lodge and have some fun while also helping to support the activities planned and thus helping others in need.

Fraternally Yours,

Sharon
Senior Regent

Attention all Moose Members!

Be sure to make the Breakfast

July 18th 9am-11am

Featuring Harry's "Wonderfully Light Pancakes" - worth the price of breakfast alone. Harry loves to cook and does his best work under pressure, so lets keep him busy!

Hope to see you there!

NEEDED

Donations for the cooler to be raffled on July 19th Need anything that would go with a cooler for a picnic or barbeque. Please bring item(s) to the Lodge prior to July 19th. Nothing to donate. Buy a raffle ticket! Buy several tickets! The more you buy the more chances of winning!!

The "Queen of Hearts" Game

Friday nights at 6:30pm. At the time this is published the Queen of Hearts is worth about \$150 plus half of what we take in at the next drawing! The pot grows and the odds get better every time, so please stick around for the drawing if you can. Congratulations to the people who have won, but so far no money cards have been turned over. We want more winners, so be sure to get your tickets and be present to turn a card!

Yard Sale Thank You

The WOTM yard sale made \$256.00. After meeting our obligations to Mooseheart and Moosehaven the committee will make a donation to Safe Harbor Crisis Nursery. And we could not have done it without you!!

Thanks to all of you who donated items for the Yard Sale. Thanks to all of you who came and purchased treasures! Thanks to Virgie, Linda M., Sharon V., Joyce B., Zenoby C. and Chair Person, Marsha C. A big Thank You goes out to the Governor, Mike B. for carrying out tables and setting up our shade covering. LOOM member, Chris E. was a big help with carrying out boxes.

Donations Needed

The Women of the Moose are collecting art and craft supplies for Lourdes Counseling Center during the month of July.

The supplies will be used in both the adult and children therapeutic programs to help with self worth as well as healing.

You may drop donations off at the Lodge.

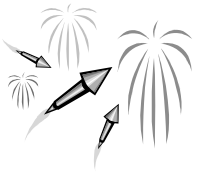

Blood Drive

July 10, 2010 - 10am to 3pm.

Please make an appointment by calling Mike Braun at 509.539.4621

There will be a drawing for 2 Elton John tickets plus dinner in Yakima for registered donors. This is by appointment only and you need to be registered to be in the drawing, so please arrange a time. We need at least 12 people from our Lodge, so if you know anyone be sure to call Mike Braun. We really need your support on this as hospitals have scheduled surgeries around this drive, plus blood supplies are usually very low this time of the year. If you are uncertain whether you can donate please call 1-866-236-3276 for information. Women should eat iron rich foods 3 days before you donate and men should start at least 1 day before.

If this works out we hope to do blood drives quarterly.
